Press Release

African Royal Durbar Festival 2015

The African Community is yet to showcase another spectacular festive performance within the city of The Hague, Netherlands. This year the grand durbar would be taking place with delightful cultural performances from different African nationalities living in and around The Hague. The event will provide an opportunity for various African and migrant's communities to meet, interact, share ideas, and understand each other. The events will enable all participants to enjoy the rich cultural traditions embedded in the African culture while promoting Safety and Participation .

Event Location and date: “Laak Vliethage” Rijswijkseweg 252, **The Hague,**

Date: 10th October 2015

Time: 12:00 noon till 18:30pm, after party 22.00 till 2:00am

Some of the activities planned during the Durbar celebration include Music and dance performances of African Groups, Chiefs and Queens, Cultural exhibition of African products, a taste of the African kitchen(Delicious Food), African face painting for children, Safety and Participation, information stands on trade and businesses related to Africa and many more.

The event promises to be exciting. Interested organizations and individuals who like to be part of this wonderful occasion are welcome to register or call us for additional information via our website or contact details provided below:
